

GH SO 1: Advance and support voluntary family planning and reproductive health programs worldwide.

EGAT/NRM SO: Management for conservation and sustainable use of natural resources improved.

**PHE Strategic Objective:**

**Advance and support links between population, health, and environment sectors worldwide**

**Primary Impact Indicators:**

1. # of PHE policies implemented
2. # of new PHE partnerships formed
3. Dollar value of resources allocated and leveraged for PHE programs

**IR1**

**Global leadership demonstrated in influencing the worldwide PHE agenda and other organization's programs**

**IR2**

**Knowledge generated, communicated, and disseminated to improve understanding of PE linkages in new and primary audiences**

**IR3**

**Support provided to the field to strengthen their institutional capacity to implement effective and sustainable PHE programs**
