

## List of EHP Documents/Reports

S. N.	Title of Document/Report	Written By	Date
<b>1</b>	<b>Objective 1: Strengthen the institutional capacity of VBDRTC to function effectively as a national and regional center for vector-borne diseases.</b>		
1.1	An Initial Institution Assessment of Vector-borne Disease Center	Management Support Services (P) Ltd., EHP Consultant, Kathmandu	Dec. 1995
1.2	Vector-borne Disease Research and Training Development Board (Formation) Order, 2054 (in Nepali)	Management Support Services (P) Ltd., EHP Consultant, Kathmandu	1997-1998
1.3	Development Board Act, 2013 (1956) (Unofficial Translation)	Management Support Services (P) Ltd., EHP Consultant, Kathmandu	1998
1.4	Vector-borne Disease Research and Training Development Board Financial Management Rules, 2054 (in Nepali)	Management Support Services (P) Ltd., EHP Consultant, Kathmandu	1998
1.5	Vector-borne Disease Research and Training Development Board Financial Management Rules, 1998	Management Support Services (P) Ltd., EHP Consultant, Kathmandu	1998
1.6	Vector-borne Disease Research and Training Development Board Personnel Service Rules, 2055 (in Nepali)	Management Support Services (P) Ltd., EHP Consultant, Kathmandu	1998
1.7	Vector-borne Disease Research and Training Development Board Personnel Service Rules, 1998	Management Support Services (P) Ltd., EHP Consultant, Kathmandu	1998
1.8	Vector-borne Disease Research and Training Development Board (Formation) Order, 2054 (1997-1998) (First Draft) (Unofficial Translation)	Management Support Services (P) Ltd., EHP Consultant, Kathmandu	Mar. 1, 1998
1.9	A Glimpse of the Vector-borne Disease Research and Training Development Board (Formation) Order, 2054 (1997-1998)	Management Support Services (P) Ltd., EHP Consultant, Kathmandu	Mar. 1, 1998
1.10	A Brief Report on Medical Entomology Training at VBDRTC	Ms. Kaminee Vaidya, EHP Consultant, Kathmandu	Dec. 6, 1998-Jan. 1, 1999

1.11	Reports and Materials on Training of Trainers in Epidemiologic Surveillance and Outbreak Response Workshop	CDC, EHP, WHO	Nov. 29-Dec. 6, 1999
1.12	Report on the Trip to VBDRTC to Assess Laboratory Activities and Supplies	Mr. Shreedhar P. Pradhan, EHP, Kathmandu	Dec. 22-23, 1999
1.13	Report on the Trip to VBDRTC and Janakpur Zonal Hospital	Mr. Shreedhar P. Pradhan, EHP, Kathmandu	Jan. 10-13, 2000
1.14	Proposed Compensation Scheme for Employees of the VBDRTC Development Board	Management Support Services (P) Ltd., EHP Consultant, Kathmandu	Apr. 2000
1.15	Regulations for the Functioning of VBDRTC Development Board (in Nepali)	Mr. Sushil Koirala, EHP Consultant, Kathmandu	Sept. 2000
1.16	Status of Findings: Visit to the Vector-borne Disease Research and Training Center, Hetauda (December 24-25, 2000)	T.R. Upadhya and Company, EHP Consultant, Kathmandu	Jan. 19, 2001
1.17	Workshop Summary: Strategic Thinking for VBDRTC	Ms. Taya Levine, EHP Consultant, Kathmandu	Jan. 30, 2001
1.18	Draft Trip Report	Ms. Taya Levine, EHP Consultant, Kathmandu	Apr. 3, 2001
1.19	VBDRTC Strategic Planning Workshop Report	Ms. Taya Levine, EHP Consultant, Kathmandu	Apr. 3, 2001
<b>2</b>	<b>Objective 2: Improve the surveillance capacity of the Ministry of Health in early detection and response to outbreaks of priority vector-borne diseases. (Currently the priority vector-borne diseases are malaria, kala-azar, and Japanese encephalitis.)</b>		
2.1	An Assessment on the Potential of Regional Laboratories for Conducting the Diagnosis of Kala-azar, JE and Malaria *	Ms. Suntharee Rojanasuphot, Dr. Anand B. Joshi, Dr. Jeevan Sherchand, Mr. Shambhu Nath Jha, and Dr. Chandrika Devi Shrestha, EHP Consultants, Kathmandu	Jan. 11-Feb. 6, 1999
2.2	Trip Report on Environmental Health Project/Nepal to Assess EWARS**	Dr. Caryn Bern and Mr. George Stroh, CDC, Atlanta	Apr. 1999

\*\* CDC documents

2.3	Traffic Volume Mapping for the Major Roads of Nepal Using Existing Data	Mr. Indra Saran KC, EHP Consultant, Kathmandu	June, 1999
2.4	Instruction Manual for DAT - VL Kit	Institute of Tropical Medicine, Antwerp	June 8, 1999
2.5	Manual of Development of Japanese Encephalitis Laboratory Diagnostic Capacities	Ms. Suntharee Rojanasuphot and Mrs. Areerat Sa-ngasang, EHP Consultants, Department of Medical Sciences, Ministry of Public Health, Bangkok	Sept. 6-20, 1999
2.6	Establishment of JE Diagnostic Capacity Laboratory and Training at VBDRTC, Hetauda, Nepal (IGM capture ELISA)	Ms. Suntharee Rojanasuphot and Mrs. Areerat Sa-ngasang, EHP Consultants, Department of Medical Sciences, Ministry of Public Health, Bangkok	Sept. 6-22, 1999
2.7	Assignment Report on DAT Training Workshop	Mrs. Diane Jacquet, EHP Consultant, Institute of Tropical Medicine, Antwerp	Sept. 21-Oct. 5, 1999
2.8	Report on Kala-azar Laboratory Establishment and Training at VBDRTC, Hetauda (Draft)	Ms. Jyotsna Shrestha, EHP Consultant, Kathmandu	Oct. 8, 1999
2.9	Report on the Trip to Hetauda and Dhanusha to Provide Laboratory Supplies	Mr. Shreedhar P. Pradhan, EHP, Kathmandu	Oct. 28-31, 1999
2.10	Development of Japanese Encephalitis Diagnostic Capacity at VBDRTC, Hetauda (Hemagglutination Inhibition Test)	Mrs. Areerat Sa-ngasang, EHP Consultant, Ministry of Public Health, Bangkok	Jan. 31-Feb. 5, 2000
2.11	Trip Report on Assessment of the Sensitivity of Malaria Surveillance in Nepal**	Dr. Michael H. Kramer and Dr. Lawrence M. Barat, Malaria Epidemiology Section, CDC, Atlanta	Feb. 7, 2000
2.12	Manual: Bone Marrow Aspiration and Cytology for Kala-azar Diagnosis (July 16-19, 2000) (Draft)	Dr. Balman Singh Karki and Dr. Suman Rijal, B.P. Koirala Institute of Health Sciences, Dharan	Aug. 4, 2000
2.13	Training Manual on Kala-azar Diagnosis Using K39 Dipsticks for Laboratory Technicians, Medical Technologists and Medical Officers of Hospitals and PHCC	Dr. Asok Sharma, Activity Coordinator, EHP, Kathmandu	Oct. 24, 2000
2.14	Proceedings of the Training on Kala-azar Diagnosis Using K39 Dipsticks for Laboratory Technicians, Medical Technologists and Medical Officers of Hospitals and PHCC	Dr. Asok Sharma, Activity Coordinator, EHP, Kathmandu	Nov. 2000

\*\* CDC documents

2.15	Reporting Format for Japanese Encephalitis and Kala-azar	EHP, Kathmandu, Nepal	2001
2.16	Laboratory Report on Japanese Encephalitis from VBDRTC, Hetauda and BPKIHS, Dharan (2000)	Mr. S.N. Jha and Mr. K.R. Regmi, EHP, Kathmandu	April 1, 2001
2.17	Improving Vector-borne Disease Surveillance, Nepal (April - May 20, 2001)	Mr. Mark Weeks, Consultant, EHP, Kathmandu	June 8, 2001
2.18	Trip Report: Semi Annual Assessment of K39 Dipstick for Laboratory Diagnosis of Kala-azar in Eleven Government Hospital of Nepal (June 17 - 27, 2001) (Draft)	Mr. Krishna R. Regmi, Consultant, EHP, Kathmandu	July 20, 2001
2.19	Early Warning Reporting System (EWARS) Follow Up (August 3 – 19, 2001)	Mr. Mark Weeks, Consultant, EHP, Kathmandu	Aug. 28, 2001
2.20	Proceedings of the EWARS Implementation Workshop	EHP, Kathmandu, Nepal	Oct. 1, 2001
2.21	Japanese Encephalitis Laboratory Diagnosis Coordination – A System Development	EHP, Kathmandu, Nepal	Jan. 2003
<b>3</b>	<b>Objective 3: Improve the availability to the Ministry of Health of information on the epidemiology of malaria, kala-azar and Japanese encephalitis.</b>		
3.1	Survey Design for Household Level Data Collection on Vector-borne Diseases	The Central Department of Geography, Tribhuvan University, Kathmandu	1998
3.2	Evaluation of GPS/GIS Training for EHP Participants Conducted at GIS Department, Tribhuvan University, Kathmandu	Dr. Mangal S. Manandhar, Central Department of Geography, Tribhuvan University, Kathmandu	Nov. 22-27, 1998
3.3	Reports by Trainees on the Training Program in GPS Mapping for GIS (for information)	EHP Consultants, Kathmandu	Dec. 1998
3.4	Manual of Medical Entomology for Nepal Training (Initial Version)	Mr. Chamnarn Apiwathnasorn, EHP Consultant, Mahidol University, Bangkok	Dec. 6, 1998 - Jan. 2, 1999

3.5	Survey Design for Baseline Epidemiologic Studies on Vector-borne Diseases (Initial Version) *	The Central Department of Geography, Tribhuvan University, Kathmandu	1999
3.6	Manual of Socio-behavioral Training	Dr. Piyarat Butraporn, Dr. Kamolnetr Okanurak, and Dr. Krishna B. Bhattachan, EHP Consultants, Kathmandu	1999
3.7	Manual V of Quantitative Research	Dr. Kamolnetr Okanurak, EHP Consultant, Faculty of Tropical Medicine, Mahidol University, Bangkok	1999
3.8	Community Approaches on Communicable Disease Prevention and Control	Dr. Piyarat Butraporn, EHP Consultant, Faculty of Tropical Medicine, Mahidol University, Bangkok	1999
3.9	Epidemiology and Social-behavioral Research on Arthropod-borne Diseases	Dr. Piyarat Butraporn, EHP Consultant, Faculty of Tropical Medicine, Mahidol University, Bangkok	1999
3.10	Application of Socio-behavioral Science in Malaria Control	Dr. Piyarat Butraporn, EHP Consultant, Faculty of Tropical Medicine, Mahidol University, Bangkok	1999
3.11	Manual of Medical Entomology Training	Mr. Chamnarn Apiwathnasorn, EHP Consultant, Mahidol University, Bangkok	1999
3.12	Manual I of Social Science Research (on Training Nepali Teams)	Dr. Kamolnetr Okanurak, EHP Consultant, Faculty of Tropical Medicine, Mahidol University, Bangkok	1999
3.13	Cultural Diversity and Gender Perspective of Nepal	Dr. Krishna B. Bhattachan, EHP Consultant, Tribhuvan University, Kathmandu	1999
3.14	A Report of Socio-behavioral Training	Dr. Piyarat Butraporn and Dr. Krishna B. Bhattachan, EHP Consultants, Kathmandu	Jan. 10-Feb. 6, 1999
3.15	Report on Socio-behavioral Training at VBDRTC, Hetauda	Socio-behavioral Team, EHP Consultants, Kathmandu	Jan. 11-Mar. 5, 1999
3.16	Report of the Field Training on Medical Entomology in Dhanusha District	Mr. S.R. Shrestha, EHP Consultant, Kathmandu	Feb. 5-Mar. 2, 1999
3.17	Report on the Medical Entomology Field Training in Dhanusha District	Ms. Kaminee Vaidya, EHP Consultant, Kathmandu	Feb. 5-Mar. 4, 1999
3.18	Report on the Field Visit to the Socio-behavioral Field Training Site (Feb. 17-19, 1999)	Ms. Rosy Adhikari, EHP, Kathmandu	Mar. 4, 1999

3.19	Report on Planning for Baseline Epidemiologic Studies of Malaria and Kala-azar in Nepal (January 27-February 8, 1999)**	Dr. Michael H. Kramer, Dr. Trenton K. Ruebush II, and Dr. Caryn Bern, CDC, Atlanta	Mar. 30, 1999
3.20	Status Report of the Field Training (Socio-behavioral Aspects and Evaluation)	Dr. Krishna B. Bhattachan, EHP Consultant, Tribhuvan University, Kathmandu	Mar. 28, 1999
3.21	Project Design Report on Baseline Epidemiologic Strategy for the Assessment of National Interventions for Prevention and Control of Selected Vector-borne Diseases	Dr. Franklin White and Ms. Debra Nanan, EHP Consultants, Department of Community Health Sciences, Aga Khan University, Karachi	Sept. 7, 1999
3.22	Plan of Operation for Baseline Epidemiological Survey (Draft)	EHP, Kathmandu	Sept. 22, 1999
3.23	Field Trip Report on Chitwan District	Dr. May T. H. Post, EHP Consultant, Kathmandu	Oct. 4, 1999
3.24	GIS Framework for Baseline Survey, Study of Distribution of Vector-borne Diseases and Risk Mapping	The Central Department of Geography, Tribhuvan University, Kathmandu	Nov. 1999
3.25	Kala-azar Core Group One Day Workshop	EHP/USAID, Kathmandu	Nov. 4, 1999
3.26	Field Trip Report on the Epidemiological Baseline Survey in Jhapa District (Nov. 14-29, 1999) (Draft)	Mr. Riddhi Gopal Vaidya, EHP Consultant, Kathmandu	Dec. 10, 1999
3.27	Field Trip Report on the Epidemiological Baseline Survey in Sarlahi District (Nov. 17-28, 1999) (Draft)	Ms. Sunita Upreti, EHP Consultant, Kathmandu	Dec. 10, 1999
3.28	Baseline Survey Quality Assurance Package	EHP Consultants, Kathmandu	Feb. 10, 2000
3.29	Baseline Survey Statistical Data Management Package	Dr. Devendra Chhetry, EHP Consultant, Kathmandu	Apr. 2000
3.30	Trip Report: Baseline Survey Data Analysis and Preliminary Report (Mar. 24-30, 2000)	Dr. Franklin White and Ms. Debra Nanan, EHP Consultants, Department of Community Health Sciences, Aga Khan University, Karachi	Apr. 18, 2000
3.31	Kapilvastu District Field Visit Report (Apr. 10-12, 2000)	Ms. Rosy Adhikari, Program Associate, EHP, Kathmandu	Apr. 24, 2000

3.32	Pre-monsoon Kapilvastu District Baseline Survey Report (Mar. 28-Apr. 12, 2000)	Mr. Riddhi Gopal Vaidya, EHP Consultant, Kathmandu	May. 2000
3.33	Pre-monsoon Kanchanpur District Baseline Survey Report (Mar. 25-Apr. 13, 2000)	Ms. Sunita Upreti, EHP Consultant, Kathmandu	May 10, 2000
3.34	Jhapa District Field Visit Report (Apr. 23-26 2000)	Dr. M. K. Banerjee, Chief, Disease Control, EDCD, Kathmandu	May 10, 2000
3.35	Pre-monsoon Jhapa District Baseline Survey Report (Apr. 23-May 10, 2000)	Ms. Sunita Upreti, EHP Consultant, Kathmandu	May 23, 2000
3.36	Jhapa District Field Visit Report (Apr. 29-May 2, 2000)	Mr. Shreedhar P. Pradhan, EHP, Kathmandu	May 25, 2000
3.37	Pre-monsoon Sarlahi District Baseline Survey Report (Apr. 23-May 8, 2000)	Mr. Riddhi Gopal Vaidya, EHP Consultant, Kathmandu	May 26, 2000
3.38	Pre-monsoon Surkhet District Baseline Survey Report (June 3-23, 2000)	Ms. Sunita Upreti, EHP Consultant, Kathmandu	June 30, 2000
3.39	Pre-monsoon Chitwan District Baseline Survey Report (June 3-18, 2000)	Mr. Riddhi Gopal Vaidya, EHP Consultant, Kathmandu	July 4, 2000
3.40	Survey Design and Plan of Analysis for Baseline Assessment of Selected Vector-borne Diseases in Nepal (Draft)	Dr. Franklin White and Ms. Debra Nanan, EHP Consultants, Department of Community Health Sciences, Aga Khan University, Karachi	July 31, 2000
3.41	Baseline Survey Pilot Phase: Community Knowledge, Attitudes and Practices Regarding Japanese Encephalitis in Nepal (Draft)	Dr. Franklin White and Ms. Debra Nanan, EHP Consultants, Department of Community Health Sciences, Aga Khan University, Karachi	July 31, 2000
3.42	Baseline Survey Pilot Phase: Community Knowledge, Attitudes and Practices Regarding Malaria in Nepal (Draft)	Dr. Franklin White and Ms. Debra Nanan, EHP Consultants, Department of Community Health Sciences, Aga Khan University, Karachi	July 31, 2000
3.43	Baseline Survey Pilot Phase: Community Knowledge, Attitudes and Practices Regarding Kala-azar in Nepal (Draft)	Dr. Franklin White and Ms. Debra Nanan, EHP Consultants, Department of Community Health Sciences, Aga Khan University, Karachi	July 31, 2000

3.44	Operational Research Opportunities Relating to the EHP Baseline Survey (Draft)	Dr. Franklin White and Ms. Debra Nanan, EHP Consultants, Department of Community Health Sciences, Aga Khan University, Karachi	July 31, 2000
3.45	Monsoon Baitadi District Baseline Survey Report (July 16-August 4, 2000)	Mr. Riddhi Gopal Vaidya, EHP Consultant, Kathmandu	Aug. 10, 2000
3.46	Monsoon Dhankuta District Baseline Survey Report (July 16-August 3, 2000)	Ms. Sunita Upreti, EHP Consultant, Kathmandu	Aug. 17, 2000
3.47	Post Monsoon Kanchanpur District Baseline Survey Report (Aug. 25-Sept. 22, 2000)	Mr. Riddhi Gopal Vaidya, EHP Consultant, Kathmandu	Sept. 27, 2000
3.48	Consolidated Report - Baseline Survey Design and Plan of Analysis (Sept. 27, 2000)	Dr. Franklin White and Ms. Debra Nanan, EHP Consultants, Department of Community Health Sciences, Aga Khan University, Karachi	Sept. 29, 2000
3.49	Post Monsoon Kapilvastu District Baseline Survey Report (Aug. 27-Sept. 14, 2000)	Ms. Sunita Upreti, EHP Consultant, Kathmandu	Sept. 30, 2000
3.50	Final Report of Digital Database Preparation: Five EHP Districts	Central Department of Geography, Tribhuvan University, Kathmandu	Dec. 2000
3.51	Qualitative Data Analysis	EHP Social Scientists, Kathmandu	Jan. 2001
3.52	Manual for Baseline Epidemiological Survey (1998-2000)	EHP, Kathmandu, Nepal	2001
3.53	Analysis of Baseline Data on Japanese Encephalitis, Kala-azar and Malaria	Robin Houston, EHP Lead Consultant, EHP, Kathmandu	May. 2001
<b>4</b>	<b>Objective 4: Develop and pilot test sustainable intervention strategies for the prevention and control of malaria, kala-azar, and Japanese encephalitis.</b>		
4.1	Trip Report on Case-control Study to Identify Risk Factors for Kala-azar in Nepal	Dr. Caryn Bern, Dr. Anand B. Joshi, Mr. Murari L. Das, and Mr. Shambhu Nath Jha, EHP Consultants, Kathmandu	Nov. 10-Dec. 21, 1999
4.2	Kala-azar Diagnostic Review in Nepal (June 23-July 2, 2000)	Ms. Gabriele Mallapaty, EHP Consultant, Kathmandu	July 10, 2000
4.3	Treatment Practices for Kala-azar and Malaria in Terai Districts: A Report on Rapid Assessment	Prof. K.K. Kafle, EHP Consultant, Kathmandu	Aug. 6, 2000

4.4	Kala-azar Treatment Failure: Fact Finding and Literature Compilation Pertinent to Nepal and India (August 1-7, 2000)	Ms. Gabriele Mallapaty, EHP Consultant, Kathmandu	Aug. 8, 2000
4.5	Field Report on Drug Efficacy Trial (July 14-October 6, 2000) (Draft)	Mr. Trairat Banchong-aksorn, External Technical Adviser, Ministry of Health, Bangkok, Thailand	Oct. 19, 2000
4.6	Report: Orientation and Practical Training on Insect Susceptibility and Night Landing Collection at VBDRTC, Hetauda (August 25-27, 2000) (Draft)	Mr. Shreedhar P. Pradhan, EHP, Kathmandu	Oct. 24, 2000
4.7	Trip Report of Susceptibility Test Conducted on Vector Species of Malaria and Japanese Encephalitis in Kanchanpur District (Sept. 11-20, 2000)	Mr. Shreedhar P. Pradhan, EHP, Kathmandu	Oct. 24, 2000
4.8	Rapid Appraisal Report on a Study on Kala-azar in the Mahottari-Dhanusha Area of Nepal: Direct and Indirect Economic Effects and Ramifications on Local Health System	Mr. Shiva Raj Adhikari, EHP Consultant, Kathmandu	Nov. 8, 2000
4.9	Trip Report on the Study of the Biting Cycle/Rhythm of Vector Species of Malaria and Japanese Encephalitis (November 5-15, 2000)	Mr. Shreedhar P. Pradhan, EHP, Kathmandu	Dec. 2000
4.10	A Rapid Assessment of the Ecological Study on Japanese Encephalitis in Lalitpur District, Kathmandu Valley (First Phase)	Mr. Krishna R. Regmi, EHP Consultant, Kathmandu	Jan. 2001
4.11	Report: Field Trip to Bheri Zonal Hospital, Nepalgunj (February 10-12, 2001)	Dr. Asok Sharma & Mr. S.N. Jha, EHP, Kathmandu	Mar. 2001
4.12	Manual for the Ecological Study on Japanese Encephalitis in Kathmandu Valley, Lalitpur District, Nepal (Sept.-Dec. 2000)	EHP, Kathmandu, Nepal	2001
4.13	Manual for Entomological Training on Vector Susceptibility and Biting Behavior Study (Sept.-Nov. 2000)	EHP, Kathmandu, Nepal	2001
4.14	Manual for the Study of Economic Effects on Households and Impact on the Local Health System of Kala-azar in Mahottari-Dhanusha Area of Nepal (Nov.-Dec. 2000)	EHP, Kathmandu, Nepal	2001
4.15	Manual for the Study on Treatment Practices for Kala-azar and Malaria in Terai Districts	EHP, Kathmandu, Nepal	2001

4.16	A Study of Economic Effects on Households and Impact on the Local Health System of Kala-azar in the Mahottari-Dhanusha Area of Nepal	Mr. Shiva Raj Adhikari, EHP Consultant, Kathmandu	May. 2001
4.17	Proceedings of Strengthening Interventions for Selected Vector-borne Diseases: A Workshop Designed to Review Current Data and Approaches (May 16-19, 2001)	EHP, Kathmandu	June 1, 2001
4.18	Rapid Field Assessment on Vector-borne Diseases: A Final Report (Dhanusha-Mahottari Area, May 6-9, 2001)	ORG – MARG Nepal, EHP Consultant, Kathmandu	June 11, 2001
4.19	Monitoring of KA Vector Susceptibility to Insecticides and Vector Biting/Landing Rhythm Study in Dhanusha District (July 5 - 7, 2001)	Ms. Archana Singh, Program Associate, EHP, Kathmandu	July 31, 2001
4.20	Manual for the Rapid Field Assessment on Vector-borne Diseases	EHP, Kathmandu, Nepal	Aug. 2001
4.21	Trip Report: Landing Rhythm and Susceptibility Status of Sandflies in Dhanusha District (June 29 –July 14, 2001)	Mr. Riddhi Gopal Vaidya, Mr. Sambhu Raj Shrestha and Mr. Shishir Pant EHP Consultants, Kathmandu, Nepal	Aug. 2001
4.22	Landing Rhythm and Susceptibility Status of Sandflies in Dhanusha District (June 29 –July 14, 2001)	EHP, Kathmandu, Nepal	Sept. 2001
4.23	Manual for In-depth Study on Landing Rhythm and Susceptibility Status of Sandflies in Dhanusha District (June 29 –July 14, 2001)	EHP, Kathmandu, Nepal	Oct. 2001
4.24	Field Trip Report: Japanese Encephalitis Ecological Study in Lalitpur District, Kathmandu Valley (Second Phase)	Mr. Riddhi Gopal Vaidya EHP Consultant Kathmandu	Nov. 22, 2001
4.25	Ecological Study on Japanese Encephalitis in Lalitpur District, Kathmandu Valley	Mr. Riddhi Gopal Vaidya and Mr. Krishna R. Regmi, EHP Consultant, Kathmandu	Dec. 12, 2001
4.26	Treatment Practices for Kala-azar and Malaria in the Terai Districts	Prof. Kumud K. Kafle, EHP Consultant, Kathmandu	Dec. 2001

4.27	Trip Report - Field Visit: Dhanusha-Mahottari Vector-borne Disease Program (July 16-19, 2002)	Dr. Panduka Wijeyaratne, Dr. Asok Sharma, Ms. Archana Singh, EHP, Jointly with CECI	Aug. 2002
4.28	Dhanusha-Mahottari Vector-borne Disease Program: Pilot Interventions for the Prevention and Control of Vector-borne Diseases	EHP, Kathmandu	Feb. 2003
<b>5</b>	<b>Objective 5: Assist the Ministry of Health in establishing inter-country linkages for addressing cross-border prevention and control of priority vector-borne diseases. (Currently the priority vector-borne diseases are malaria, kala-azar, and Japanese encephalitis.)</b>		
5.1	Proceedings of the Inter-country Workshop on Cross-border Issues in Malaria, Kala-azar and Japanese Encephalitis Prevention and Control	EHP, Kathmandu	Sept. 8, 2000
5.2	Presentations of the Inter-country Workshop on Cross-border Issues in Malaria, Kala-azar and Japanese Encephalitis Prevention and Control	EHP, Kathmandu	Sept. 8, 2000
5.3	Summary of WHO/SEARO and SAARC Inter-country Meeting on Cross-border Initiatives on HIV/AIDS, Tuberculosis, Malaria and Kala-azar	EHP, Kathmandu	Mar. 6 – 9, 2001
5.4	Proceedings: Meeting to Initiate Community-based Cross-border Collaboration for the Prevention and Control of Kala-azar Dhanusha, Nepal (June 7, 2002)	EHP, Kathmandu	June 11, 2002
5.5	Cross-border Collaboration for the Prevention and Control of Kala-azar and Malaria: Report on Meeting and Field Visit Jointly Organized by HMG Ministry of Health, Department of Health Services, Nepal and the Department of Health, Government of Bihar, India (February 20-22, 2003)	EHP, Kathmandu	Feb. 2003
<b>6</b>	<b>General</b>		
6.1	An Assessment of the Needs of the Expanded Research and Training Center at Hetauda, Nepal	Dr. Richard G. Andre, Dr. James C. Sonnemann, Dr. Tara S. Upreti and Dr. Robert A. Wirtz	Feb. 13-Mar. 9, 1994

6.2	Work Plan: Program for the Prevention and Control of Selected Infectious Diseases	Dr. Pandu Wijeyaratne, Ms. Karen Wilkins, Dr. Samuel Myers, Mr. Douglas Keene, Dr. John Albert, Dr. David Lee, and Dr. Eric Starbuck	Aug. 1998
6.3	Start-up Workshop on the Program for the Prevention and Control of Selected Infectious Diseases (Final Report)	Ms. Taya Levine and Mr. David Fernandes, EHP Start-up Workshop Facilitators	Sept. 15-18, 1998
6.4	Draft of EHP II Scope of Work (Year II)	EHP, Kathmandu	Aug. 26, 1999
6.5	Trip Report: Analytical Plan for Environmental Health Project: Phase I Reconnaissance Activities Dec. 13-17, 1999	Dr. Franklin White and Ms. Debra Nanan, EHP Consultants, Department of Community Health Sciences, Aga Khan University , Karachi	Dec. 30, 1999
6.6	Trip Report: Analytical Plan for Environmental Health Project Phase 3: Workshop for Development of Analysis Plan Jan. 24-28, 2000 *	Dr. Franklin White and Ms. Debra Nanan, EHP Consultants, Department of Community Health Sciences, Aga Khan University , Karachi	Feb. 8, 2000
6.7	Trip Report: Performance Monitoring Plan Development, Environmental Health Project/Nepal (August 10-21, 2000)	Ms. Lisa Nichols, Senior Health Policy Analyst, ISTI, Arlington	Aug. 28, 2000
6.8	Report: Performance Monitoring Plan, Environmental Health Project/Nepal (August 2000) (Draft)	Ms. Lisa Nichols, Senior Health Policy Analyst, ISTI, Arlington	Aug. 28, 2000
6.9	Proceedings of the Mid Term Review Meeting of Nepal Infectious Disease Program	EHP, Kathmandu	Feb. 3, 2001
<b>7</b>	<b>Monthly Update</b>		
<b>8</b>	<b>Trimester Report</b>		
8.1	First Trimester Report (Sept.-Dec. 1998)	EHP, Kathmandu	Sept. 1-Dec. 1, 1998
8.2	Second Trimester Report (Dec. 1998-Mar.1999)	EHP/CDC	Dec. 1, 1998-Mar. 31, 1999
8.3	Third Trimester Report (Apr.-Jul. 1999)	EHP/CDC/RPM-MSH	Apr. 1-Jul. 31, 1999

8.4	Fourth Trimester Report (Aug.-Nov. 1999)	EHP/CDC/RPM-MSH	Aug. 1-Nov. 30, 1999
8.5	Fifth Trimester Report (Dec. 1-Mar. 31, 2000)	EHP/CDC/RPM-MSH	Mar. 31, 2000
8.6	Sixth Trimester Report (April 1-July 31, 2000)	EHP/CDC/RPM-MSH	Aug. 11, 2000
8.7	Seventh Trimester Report (Aug. 1-Nov. 30, 2000)	EHP/CDC/RPM-MSH	Dec. 1, 2000
8.8	Eighth Trimester Report (Dec. 1, 2000-March 31, 2001)	EHP and CDC	Mar. 31, 2001
